Important Information Regarding Interims

Did you know FOCUS gradebook allows parents/guardians a real-time view of their child's grades and assignments?

Parents can create a FOCUS account and can check their child's grades at any time! Due to FOCUS allowing you to check on grades at any point we will **NOT** be sending home interim reports. Below are the steps to create a parent FOCUS account.

What you will need:

Student ID number

Child's date of birth

Parent/Guardians e-mail address

Last 4-digits of your social security number

STEPS:
